			total €	_____

Services, special installations

We are also available for special requirements within the specifications of the technical guidelines:

Engineer rate (per hour) € 50.--

Material cost to be verified

All prices quoted do not include VAT

Compressed air supply can only be made available if an installation sketch-map is attached to the order form (please fill in form 5a).

A direct debit mandate makes payment easier. If you have not authorised a direct debit mandate please use the yellow **form 1** in your service file.

The installation of compressed air supply and services will be executed by the staff of Messe Friedrichshafen and also invoiced.

The quoted prices include the rental of the required materials, assembly and dismantling, safety maintenance. VAT is not included in the quoted prices.

The order form must be submitted at the latest 14 days prior to the exhibition. If not a surcharge of 10% will become due. In this case the Exhibition Management can not guarantee the installation duly and within the agreed time limit.

All cancellations will entail a cancellation fee:

- Cancellations 14 days before the start of construction will be charged at 25% of the quoted price,
- 7 days before 50% of the quoted price
- Less than 7 days before 100% of the quoted price.

Your order and legally binding signature confirms acknowledgement of our terms of **delivery and payment conditions** mentioned above and the prices quoted in this form. Court of jurisdiction and place of payment for both parties is Tettang.
